

CAN CHILDREN GET THE VACCINE?

The vaccine has now been approved for children 12 years and older

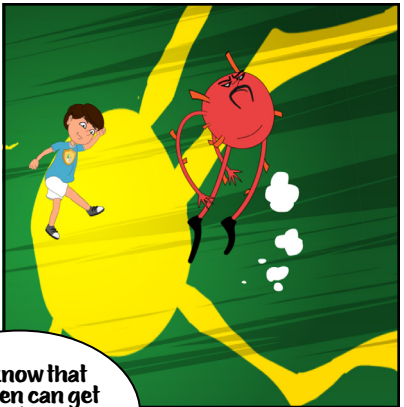

It was done after testing thousands of children who volunteered for the vaccine and were monitored closely for months.

The vaccine protected 100% of the children from getting severely ill from COVID in these trials!

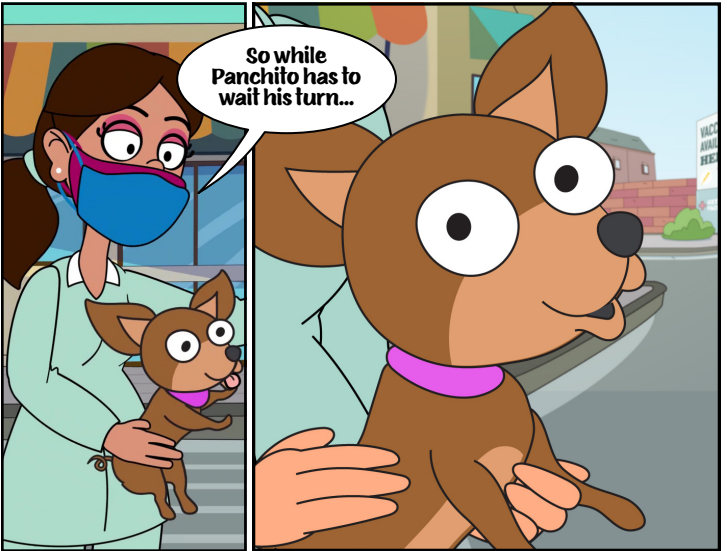

We know that children can get really sick and even die from COVID.

The vaccine prevents this from happening!

Somos miembros de la comunidad Hispana/Latinx en Carolina del Norte, trabajando juntos para promover la importancia de la prevención y vacunas contra el COVID-19.
